

MASTERS: MATERIALS

American Adhesive Coatings LLC

OUR CONCEPT IS SIMPLE...

We provide the highest quality pre-applied adhesives, along with trending woodgrain prints and solid colors from many sources including domestic and around the globe. Take advantage of our expertise in adhesive and printing and allow us to be your "One Stop Shop" for various print requirements with or without adhesive. We currently stock over 40 woodgrain prints and solids available in one roll or truck load quantities. All of this with unsurpassed customer service, quality control and technical laminating support.

With AACC hot melt adhesive coatings, your total lamination cost is lower than "wet glue" – or any other glue system.

Some of the markets we serve include Kitchen & Bath, RTA/Promotional Furniture, Storage, Slatwall and Wrapped Moulding.

CHECK OUT THE AACC ADVANTAGE:

- 260 DEGREE F HEAT RESISTANCE
- MOISTURE RESISTANT
– MEETS KCMA STANDARDS
- SMOOTH APPEARANCE
(NO ORANGE PEEL LOOK)
- LESS THAN 1% WASTE
